

LIMBERLOST LUNA

Inspired by the writings of Gene Stratton-Porter
and the beauty of *Actias luna*

Suggested Yarn: fingering or lighter

Suggested Needle: 3.75 to 4.5 mm

Approximate Yardage: (500 - 900)

Depth of Finished Shawl (main body) = approx 200 rows (garter)

Width of Finished Shawl (main body) = 256 Stitches

Suggested colourway: **MOST appropriate:** pale green w/ touch of yellow
appropriate: pale blues, silvery greys, lavender
also appropriate: most solid or nearly solid colours.

Cast On - Use a Cabled Cast On.

(Slip knot for the first stitch. Insert the needle, wrap and pull through a loop as if to knit. Slip that loop back to the left needle. *Insert needle BETWEEN the last two stitches, wrap and pull through as if to knit. Slip new stitch back to left needle. Repeat from * until desired number of stitches are on the needle.) For a purled cable cast on, insert, wrap and make the loop as if to purl.

STITCH KEY (WRITTEN):

O = yarnover

K or k = knit

p = purl

/b following a stitch = optional bead

S = slip one, knit one, pssso

s = slip one

A = slip 2 together knitwise, k1, pssso

N = knit two together

T = knit tbl

^ = purl 2 together

SWATCHING:

(If you will pardon my Klatchian)

The swatch is primarily to determine whether or not you are satisfied with the fabric you are producing.

Cast on 11 stitches: (Use either the purlled cabled cast on or the regular cabled cast on)

work 5 rows in garter:

Work the chart until you have at least 4

inches of fabric. (You will add a repeat of the stippled section in each direction for each vertical repeat.) the chart is worked right to left and then left to right (skipping the leftmost (center) column) for each odd numbered row; turn and work the even numbered row in the same manner. Stitches are charted as worked .this is a garter stitch ground.

For written instructions:

- 1) O, k1, (k, OAO) k1, (OAO, k1) k1, O
- 2) (and all even rows) knit
- 3) O, k1, O, (A,OKO) ,A, (OKO,A) O, k1,O
- 5) O, k1, k2tog, O, (kOAO), k1, (OAO,k) O, skip, k1, O
- 7) O, k3, O, (AOKO), A, (OKOA), O, k3, O

- 8) knit
- 8-16 repeat on each (...) = x2
- 17-24 each (...) x3
- etc.

Bind off.

Wash and block for width.

This, combined with the row and stitch counts of the pattern will allow you to determine if your choice of yarn and needle will suffice as the pattern is written, or whether you need to make a different choice, or modify the pattern for either width or height.

CHART THREE

NOTE: Work EACH row in the following manner:

Right to left until you have worked the center column (leftmost on chart) then back from the Left to right, skipping the center column.

Stitches are charted AS WORKED with the following exceptions:

/ always slants away from the center - so / = k2tog when working to the left, and /=skp when working to the right of chart.

\ always slants TOWARDS the center, so \ = skp when working towards the left and \ = k2tog when working left to right.
